BAGAS PRATAMA JUNIANIKA

(+62) 81218177320 | bagaspratamajunianika72@gmail.com | bagaspra16-portfolio
 Bekasi, West Java, Indonesia.

Experienced with developing web applications with ERP concepts using the Laravel framework and critical understanding of business processes. My love of technology and problem solving has driven me to develop a strong foundation in various programming languages, software modeling, and web development. My life motto is "Dive into wisdom, unleash your power." therefore I want to continue to develop my abilities to the peak of my abilities.
